# Privacy Policy

Protecting your privacy is important to us. We hope the following statement will help you understand how Smart AI deals with the personal identifiable information ('PII') you may occasionally provide to us via Internet.

Generally, we do not collect any PII from you when you download our iOS applications. To be specific, we do not require the consumers to get registered before downloading the application, nor do we keep track of the consumers' visits of our application, we even don't have a Server to store such PII.

The only situation we may get access to your PII is when you personally decide to email us your feedback or to provide us with a bug report. The PII we may get from you in that situation are strictly limited to your name, email address and your survey response only.

In above situation, we guarantee that your PII will only be used for contacting you and improving our services. We will never use such information (e.g. your name and email address) for any other purposes, such as to further market our products, or to disclose your personal

information to a third party for commercial gains.

It should be noted that whether to send us your feedback or bug report is a completely voluntary initiative upon your own decision. If you have concern about your PII being misused, or if you want further information about our privacy policy and what it means, please feel free to email us at moony.init@gmail.com, we will endeavor to provide clear answers to your questions in a timely manner.

Our app uses Admob as ads provider. The advertising provider want to show ads that are relevant to you. For more information, please check https://support.google.com/admob/answer/6128543?hl=en
With your permission, the advertising providers may use personal data to enhance your advertising experience.

For the purposes of the present Agreement the term "User Content" includes both the text you enter into the message field and send to the App, as well as any text, other content generated by AI via the App.
